FOREIGN TRADE ADVISORS

## ABOUT US

SME Network is a foreign trade advisory firm at Bangalore. We offer full fledged advisory, Transaction Processing, Compliance services for industries and business involving Foreign Trade in the areas of Foreign Trade Policy, GST, Customs, Bilateral Trade Agreements, and Trade Finance / Factoring. With focus on SME's we have provided our clients timely access to benefits / refunds and ensured compliances proactively and consistently from the year 2002.

Our services are tailored to the client's needs so as to enable them to optimize the benefits and comply with the regulations. We focus on strategic planning for long term growth by harnessing the inherent strengths of the client. By employing our services, our clients are assured of finding the right solution for their business needs.

## FOREIGN TRADE ADVISORY SERVICES

We advise the clients on all the matters related to Foreign Trade, whether it is related to Foreign Trade Policy, Customs, Foreign Trade Agreements or foreign Trade Finance.

A detailed transaction review is conducted with respect to foreign trade transactions with the objective of:

- Optimising the benefits / exemptions / incentives under various policies and Law
- Comply with the statutory requirements for various regulatory bodies.

The outcome is a fully structured mapping of transactions and guidance report for a hassle free claim of benefits and to meet the compliance.
