## ABOUT US

WeP Digital Services is digital arm of WeP Solutions Ltd and offshoot of Wipro E. Peripherals. WeP became an independent Corporate Entity in September 2000 through an employee buyout. WeP Solutions limited is public listed company and Wipro has 8% stake.

WeP empowers businesses with Digital Technology Solutions that helps them adopt to the country's changing technology landscape. Our cloud-based, secure Microsoft Azure platform streamlines transactions and simplifies business services.

SME Network is a professional foreign trade advisory firm at Bangalore. We offer full fledged advisory, Transaction Processing, Compliance services for industries and business involving Foreign Trade in the areas of Foreign Trade Policy, Customs, Bilateral Trade Agreements, GST and Trade Finance / Factoring. With focus on SME's we have provided our clients timely access to benefits / refunds and ensured compliances proactively and consistently from the year 2002.

SME Network is the Master Franchisee for WeP Suvidha Kendra(s) For Bangalore

Urban District and is authorized to appoint Retail Suvidha Kendras across the city offering the following services at a single point. The Retail Franchisee gains the advantage of offering the following professional services at a single point without maintaining the back office and need no domain expertise as the entire process and operations are managed at back end by WEP Digital Services Ltd.

## WeP SUVIDHA KENDRA
